

This is the YEAR of JUBILEE

01/31/2025 Handout

Psalm 90:4 - *"For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night."*

Isaiah 29:4 - *"And thou shalt be brought down, and shalt speak out of the ground, and thy speech shall be low out of the dust, and thy voice shall be, as of one that hath a familiar spirit, out of the ground, and thy speech shall whisper out of the dust."*

Israel became a nation again in 1948, it was also when ancient scrolls were found hidden in a cave. Out of all the caves where scrolls were found hidden, every book of the Old Testament were found (with exception of Esther).

1. In the caves, they also found other _____ - _____ books that have been referenced in the Bible, like the Book of Jubilees, Book of Jasher, and I Enoch and more.

2. In the Dead Sea Scroll calendar system, there are exactly _____ days every month for total of 360 days. They also have a Takufa celebration (no date associated) with the beginning of each season, in which these 4 days, adds the additional days to the calendar system to equal a total of 364 days a year, with a leap week every few years to keep in alignment of the new moon near Nissan 1.

Nisan 1 is ALWAYS on Wednesday! However, March 19th will change which day it lands on every year.

Religious rulers of Israel agreed to change the calendar system as dictated by Rome between 200-150 BC. which messed up the calendar system and they started to celebrate Feasts on the wrong day.

The Jewish leaders also changed their Jewish calendar in the 1st century AD, because they wanted to obscure the fact that Jesus was the prophesied Messiah. **Daniel 9:24-26**

3. Current Jewish Calendar is about _____-year difference from the original calendar start date to their calendar date.

4. The original calendar system will reflect a total of _____ years since the start of creation.

- **Shemittah (seven-year period of time)**
- **Jubilees (fifty-year periods)**
- **Onahs (500-year period)**
- **Ages (2,000-year periods)**

5. There will be a total of _____ years of human history.

6. The First Age was the Age of _____ (Age of Creation, to the calling of Abraham)

7. The Second was the Age of _____ (Call of Abraham to Destruction of 2nd Temple).

8. The Third is the Age of _____, or as we call it the Church Age.

9. The last is the _____ Age, or as we call it the Millennium Kingdom.

The last Jubilee cycle is from 2026-2075. AND 2025 is the **YEAR of JUBILEE!**

Where can we verify that there are only 7,000 years?

In **Genesis 1:1 – 2:3** we read about the 6 days of creation, and he rested on the 7th day and sanctified it.

Psalm 90:4 - *“For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night.”*

2 Peter 3:8 - *“that one day with the Lord is as a thousand years, and a thousand years as one day.”*

We as believers should know what the bible states about prophetic events for our time.

We can use these prophetic events to witness to others, but also, we need to be prepared ourselves.

With all the wars happening with Israel and its neighbors, we know that the time is drawing near. As we watch these coming events happen in real time, we know we are drawing close.

“Therefore keep watch, because you do not know on what day your Lord will come. But understand this: If the owner of the house had known at what time of night the thief was coming, he would have kept watch and would not have let his house be broken into. So you also must be ready, because the Son of Man will come at an hour when you do not expect him”. - **Matthew 24:42-44**

Scriptures tell us that the Generation that witnesses Israel’s rebirth will not pass away before Christ returns.

ARE YOU READY???
